**OTHER USEFUL INFORMATION**

\*\*\*The American Quarter Horse Foundation allows the service of alcoholic beverages provided a TABC licensed bar tender is retained by the renter of facility. We have contact information for bar tenders in the area by request. Renter may not charge for alcohol nor will they allow event guests to bring in their own alcohol.

Per the Amarillo Police Department, events serving alcohol require at least two off-duty officers. The total off-duty officers for events after-hours will be dependent on the total number of expected guests. The Hall of Fame will make arrangements for this.
