

# PAPER BAG

## COWBOY OR COWGIRL

The American Quarter Horse Hall of Fame & Museum showcases the horses and people who have earned the distinction of being inducted into the American Quarter Horse Hall of Fame. To be inducted into the Hall of Fame, horses and people must have been exceptional, and have contributed to the transformation of the American Quarter Horse industry. Some of the people who are inducted are cowboys! Create your own paper bag cowboy and write about his exceptional accomplishments.

### Materials:

- A paper lunch bag
- Some crayons, markers, or colored pencils
- Paper (to print on or draw and to write)
- Scissors
- Glue

### Instructions:

1. Make sure you are looking at your paper bag with the flippy tab facing you. This will be the front of your cowboy and the flippy tab will be for the cowboy's head and hat.
2. Next, print the template for your cowboy's hat and clothes or draw them with a marker on a piece of paper. Color them and then cut them out.
3. On a piece of paper, draw your cowboy's face and cut it out.
4. You are ready to glue them on your paper bag!
  - a. Glue your cowboy's face on the flippy tab.
  - b. The hat can be glued at the top of your cowboy's head. Make sure not to cover his eyes!
  - c. Last, glue the body below the flippy tab.
5. Now, you can write why your cowboy should be inducted into the Hall of Fame, then take him/her on a trail ride around your home.
