

MILDRED N. VESSELS SPECIAL ACHIEVEMENT AWARD

The Mildred N. Vessels Achievement Award is given yearly to an outstanding woman within the American Quarter Horse racing industry to recognize her achievement within the industry **throughout the current year, January 1 – Present, 2017**. The award is voted on by the AQHA Racing Committee. The first award was presented in 1994.

Mildred (Millie) N. Vessels was a longtime horsewoman whose heritage runs deep within the American Quarter Horse racing history books. Born in 1923 in Blythe, California, Millie grew up in Long Beach, the daughter of a Swedish ironworker. In 1948 she married Frank Vessels, Jr, whose father established Los Alamitos Race Course on his ranch near Cypress, California. In the early days of Los Alamitos, Millie and her husband aided Frank Sr. in the management of the racetrack, and upon the elder Vessels' death, Frank Jr. took over management of the track. In 1974, a year after the Vessels' stallion Timeto Thinkrich won the All American Futurity, Alamitos became the nation's leading American Quarter Horse racetrack in terms of attendance and handle. In 1984, Millie sold Los Alamitos and the adjacent property and began concentrating on Vessels' Stallion Farm and the San Luis Rey Downs training center, both located in Bonsall, California. Millie passed away on January 20, 1992 at the age of 68. She was the mother of Frank "Scoop" Vessels, III, 2004-2005 AQHA President.

Applications for this award are due to the AQHA Racing Department by December 15, 2017.
